

EXHIBITORS

Six-foot tables or eight-by-ten-foot booths are available for exhibitors. Each location includes a 6 ft table and two chairs; the booths include back and side drapery. The cost per table is \$900 and the cost per booth is \$1300. The fee for either includes:

- Registration for **two Company representatives** to man the booth, and have full access to the technical Conference
- Display of your company **logo and description** on the MFPT website

The [Exhibitor Registration Form](#) is available on the MFPT website, along with the current [list of exhibitors](#) and the [Exhibitor Hall layout](#). Exhibitors who reserve space by January 29, 2010 will also be profiled in the MFPT 2010 feature issue of SOUND & VIBRATION magazine.

SPONSORSHIP

As introduced in 2008, and as an alternative to exhibiting, companies and organizations are welcome to sponsor a break or meal during the conference:

- Morning and afternoon breaks: \$500
- Breakfast: \$750
- Luncheon: \$1,000

Companies interested in so doing should contact the MFPT Executive Director to negotiate the amount and type of publicity, advertising and “podium time” that they would like in return for their support and in keeping with the level of sponsorship selected.

AWARDS – winners to be announced at MFPT 2010

Jack Frarey Memorial Award for Excellence in the Field of Machinery Failure Prevention Technology. The late Jack Frarey excelled in many aspects of the field of Machinery Failure Prevention Technology, his contributions making a significant impact in the field, and inspiring his colleagues. The Jack Frarey award recognizes annually the outstanding contributions to this field of individuals or organizations that best emulate the spirit and personal dedication that Jack brought to this endeavor. At MFPT 2010, the third recipient of this award will be announced.

Henry and Sallie Pusey “Best Paper” Award. First introduced at MFPT 61 in April 2007, this award reflects the many years of hard work, dedication, and professionalism shown by Henry and Sallie Pusey that established the high standards of excellence that MFPT enjoys today. The award thus exemplifies the highest levels of excellence

in technical contribution, clarity, and professionalism of all the written papers submitted for the MFPT annual Conference. The next recipient will be announced at MFPT 2010.
